

Thank you for your purchase of Eye Wonder. We're excited to get this amazing product into your hands. Below are tips on how to best use this product. We're sure you'll love it!

Help lashes and brows appear fuller, longer, healthier and rich with shine. Conditions and protects from brittleness. The serum absorbs quickly with no mess while helping to hydrate the delicate skin at the lash line and brows.

Capixyl™ helps to increase the strength and condition of lashes and brows.

Fision KeraVeg 18 is a vegetable based alternative to animal keratin. It helps to strengthen and improve the luster of lashes and brows.

HOW TO USE

FOR LASHES

Apply a thin layer of product twice daily on makeup free skin along the base of the upper and lower lash line (where eyelashes meet the skin), preferably in the morning and/or evening during 28 consecutive days for maximum results.

FOR BROWS

Apply twice daily on makeup free skin using short upward diagonal strokes through the eyebrow and use tip of finger to continue absorbing product into the skin. Preferable to use in the morning and/or evening during 28 consecutive days for maximum results.

TIPS

Always apply to clean, dry skin.

Allow to dry for 7-10 minutes prior to makeup application.

Do not rinse.

WARNINGS

For external use only. Avoid contact with eyes.
